June 2, 2025 12:30 PM EDT

ATLANTA--(BUSINESS WIRE)--Jun. 2, 2025-- [Manhattan Associates Inc.](#) (NASDAQ: MANH) has announced the winners of the 2025 Manhattan Value Partner™ (MVP) Excellence Awards. Unveiled at the company's annual conference, [Momentum 2025](#), these prestigious awards honor the company's partners that have prioritized innovation, and are delivering technologies, solutions and services that result in larger, more powerful and complete workflows to address business challenges. With exceptional industry expertise, collaboration and service they are promoting agility and flexibility, driving success, value and growth for customers.

"Manhattan is committed to recognizing innovations that adapt to industry changes, empower our customers and enhance the end-consumer experience. We value our robust partner network and acknowledge those who play a critical role in delivering high-quality solutions to our joint customers, moving supply chain and unified commerce forward," said Eric Lamphier, senior director of Alliances, Manhattan Associates.

Winners in the three categories were:

### Services & Engagement

- **IBM Consulting** for supporting successful implementations and driving customer value realization. As part of recent projects, they expanded their roles and deliverables in new technical areas - including extension development and rapid deployment of autonomous mobile robots.
- **4SiGHT Supply Chain Group** for demonstrating exceptional partnership by delivering services and measurable results across multiple warehouse management (WM) implementations. Collaborating closely with Manhattan service teams, they consistently drove elevated customer satisfaction through their deep industry knowledge and commitment to excellence.

### Technology & Solution

- **Google Cloud** for being at the forefront of Gen AI innovations and cloud technologies, and a trusted cloud partner, supporting all customers on the [Manhattan Active® Platform](#) and Manhattan [Agentic AI](#) initiatives.
- **Honeywell** for their deep expertise in voice solutions, leading Manhattan customers to achieve record-breaking productivity while also improving accuracy. Customers leveraging Honeywell Voice for Manhattan Active realized major productivity boosts across an array of workflows.

### Collaboration

- **Deloitte Consulting** for collaborating on multiple net-new transformation opportunities, contributing strategic insight and execution excellence throughout the customer journey. With their strong partnership and alignment to customers' needs, they have played a pivotal role in driving mutual success.
- **enVista** for providing expert advisory services. Their collaborative approach and deep industry knowledge helped drive informed decision-making and informed software vendor selections. Their partnership was instrumental in creating value for both clients and the broader

ecosystem.
